If you are expecting more than 200 people at Nankin Mills, you must rent both shelters for parking reasons.

Electricity-Most restrooms and shelters are equipped with electrical outlets (only 20 amps or 110 volts). There is no additional charge for electricity or water, therefore **service is not guaranteed**. The Bell Creek #2, Colonial, Gunsolly, Sumac, Wilcox, Kinloch and Northville #1 Shelters do not have electricity even though there are outlets. **Please note that crockpots and moonwalks will exceed electrical capacity. For those items, it is recommended you use a generator.**
